10 FOR YOUR VISIT

General Info

The Tourist Infopoints, open 365 days a year and located in the historic centre of the city, in Leonardo da Vinci - Fiumicino and G.B. Pastine - Ciampino Airports and in the central station Roma Termini, are the first point of reference for people visiting the Capital. The multilingual staff provides all the useful information of tourist-cultural interest, itineraries, events, means of transport, sale of ATAC tickets and sale and collection of Roma Pass.

atac

Mobility company

<https://www.atac.roma.it/en/terminal-termini>

Sponsored by Roma Capitale and the Ministero dei Beni e delle Attività Culturali, in collaboration with ATAC, the Roma Pass is the city's tourist-cultural card. Valid for 72 or 48 hours, it includes over 45 museums, monuments, archaeological areas and experiences, including the Borghese Gallery and the Colosseum with guaranteed access upon reservation. New additions to the circuit include the archaeological area of the Circus Maximus, the immersive and multisensory experience in augmented reality of the Circo Maximo Experience. The card allows you to freely use public transport and toilets of the P.Stop network, with qualified staff for tourist information.

<https://www.romapass.it/en/home/>

Do you want to move around the city without using public service? You can contact a taxi company by dialing 060609 or submit your request through the Chiama Taxi Utente App of Roma Capitale.
